

Intro to Mac

Beginner OS X Course

Tuition: \$49*

1 Hour Workshop

This one hour workshop will introduce you to the different pieces that make up the Mac OS interface, tell you how to get around it, and show you how to use the Finder and Finder windows, the Desktop, the menu bar, and the Dock... your Mac essentials.

PREREQUISITES: none

WHO SHOULD ATTEND: This class is for anyone who is looking for an introduction to Mac OS X.

Topic	Description
Finder & Desktop	The Finder is the place to find stuff on your Mac. Learn how to do just that using the Finder and Finder windows as well as how to navigate the Desktop.
The Dock & Stacks	The Dock is a collection of shortcuts to open applications, documents, and more. It's also where you'll find the Trash. You'll learn how to use the Dock and customize it for your daily routine.

*This course is FREE to all FirstTech TECHCARE customers
